As part of our continuing effort to provide our members with important updates regarding the Employee Medical Health Plan of Suffolk County (EMHP), the Labor/Management Committee, which oversees the EMHP, would like to provide you with important information regarding the ability to utilize **Access Discount Healthcare (Access Plus)** services during the Coronavirus (COVID-19) public health emergency.

All EMHP Active and Retired Members and their eligible dependents can utilize Access Discount Healthcare (Access Plus) 24 hours/7 days a week and avoid the waiting room germs. Limit your exposure and talk to a board-certified doctor by video or phone from your home.

NO COST TO YOU!

You can talk to a board-certified doctor by video or phone. Doctors are available anytime, day or night, weekends and holidays. Prescriptions can be sent to your nearest pharmacy, if medically necessary.

By utilizing Access Discount Healthcare tele-health benefits, you can avoid a visit to the Emergency Room, an Urgent Care or your doctor's office if you suspect you may have contracted COVID-19, therefore limiting the spread of the virus. Patients would still need to be tested for the disease in person.
