ELIGIBILITY CRITERIA FOR DOMESTIC PARTNERSHIP COVERAGE*

The Employee Medical Health Plan (EMHP) Labor/Management Committee has offered health benefits coverage, effective September 1, 2004, to same or opposite sex domestic partners of covered members if they meet certain criteria.

A domestic partnership, to be covered by EMHP, is one in which the covered member and domestic partner:

- · are 18 years of age or older,
- are unmarried and not related in a way that would bar marriage in the State of New York,
- have a close and committed personal relationship,
- are living together and have been living together on a continuous basis,
- are registered with the Employee Benefits Unit as domestic partners.
- have not terminated the domestic partnership, and
- have been in a partnership and are able to provide <u>proof of residency and financial interdependence</u> for at least <u>six months</u>.

To cover a domestic partner's child, the standard provisions for adding a dependent apply.

Note on Tax Implications: Under the Internal Revenue Service (IRS) rules, the fair market value of the health benefits is treated as income for tax purposes when a person who is not a qualified dependent under Federal IRS rules is covered under EMHP. Please ask your tax consultant how enrolling your domestic partner will affect your taxes.

If the partnership ends, the member must notify the Employee Benefits Unit and end coverage for their domestic partner. The domestic partner may be eligible to continue coverage on a self-pay basis. There will be a one-year waiting period from the termination date of a previous partner's or ex-spouse coverage before the member may again enroll a domestic partner.

Members who fraudulently enroll a domestic partner, or who fail to notify EBU of the termination of a domestic partnership, are held financially and legally responsible for any benefits paid and are subject to disciplinary action. Such members may forfeit future coverage.

If the member dies, the surviving domestic partner's health coverage and the domestic partner's children's health coverage will be enrolled as dependent survivors. Surviving dependent children will be eligible until age 26 under the rules of PPACA.

Under Social Security law, Medicare is primary for an active employee's domestic partner who becomes Medicare eligible at age 65. If the domestic partner of an active employee becomes Medicare eligible due to disability, EMHP is primary.

If a member or a member's domestic partner has specific questions as to coverage under EMHP, contact the Employee Benefits Unit.

Please return forms to address listed below.

*Although not covered by COBRA, this is intended to provide continuation benefits comparable to COBRA benefits in all respects.

HOW TO ENROLL A DOMESTIC PARTNER

- 1. Complete the following forms:
 - Health Insurance Transaction Form
 - 1. Complete entire Section 1 with your personal data. In Box 6, you would check "Domestic Partner".
 - 2. Complete Section 3, Box 14, indicating reason as "adding domestic partner/dependents" and indicating date of event.
 - 3. Complete Section 4, indicating information for both domestic partner and additional domestic partner dependents, including relationship, date of birth and social security number. When adding Domestic Partner dependent children, you must submit an Affidavit of Dependency along with a copy of their birth certificate. If the dependent child is a full-time student between the ages of 19 and 25, you must also submit either a "Verification of Student Status" form or the student's class schedule indicating the student's name, college name, semester and number of credits. Please make sure your name and social security number are on these forms. If you submit the student's class schedule, you must provide documentation for proof of payment.
 - 4. Sign and date "Request to Participate", located under Section 4.
 - 5. If your Domestic Partner or their dependents have other coverage, complete Section I with pertinent information, and sign and date.
 - 6. Domestic Partner Social Security Card
 - Application for Health Benefits for Domestic Partners of Enrollees of any of the Suffolk
 County Provided Health Plans and Affidavit of Domestic Partnership forms, with appropriate
 documentation indicated in form for at least <u>six months</u>.
 - Affidavit of Financial Interdependence for Enrollees of Any of the Suffolk County Provided Health Plans form, with appropriate documentation indicated in form for at least six months.

NOTE: If you have any questions while completing these forms, you may call the Employee Benefits Unit for assistance at (631) 853-4866, or contact them via e-mail at ebu@suffolkcountyny.gov.

- 2. In addition to the above, IF your partner qualifies as your dependent for federal tax purposes and you wish to avoid the additional taxes that may result from this benefit, you must also complete the Dependent Tax Affidavit for Enrolling Domestic Partners of Enrollees of Any of the Suffolk County Provided Health Plans form and return it with the other forms and documents. It is recommended that you seek the advice of an attorney and/or tax consultant to determine how enrolling your domestic partner will affect your taxes.
- 3. Return the completed forms and documents, including the **REQUIRED PROOFS OF RESIDENCE**AND FINANCIAL INTERDEPENDENCE to the:

Employee Benefits Unit
S.C. Department of Civil Service/Human Resources
Division of Employee Services
P. O. Box 6100
Bldg. #158, William J. Lindsay County Complex
Hauppauge, NY 11788-0099

Applications filed without the required affidavit or proofs will not be processed. Ambiguity or lack of clarity will not be interpreted in the employee's/partner's favor.

HOW TO REPORT THAT THE PARTNERSHIP HAS ENDED

You must complete and submit the form, "Termination of Domestic Partnership of Enrollees of Any of the Suffolk County Provided Health Plans" within fourteen (14) days of the date that the partnership ends. Please contact the Employee Benefits Unit to request this form, via e-mail at ebu@suffolkcountyny.gov, or via telephone at (631) 853-4866.

If you do not file the form on a timely basis, you may be held financially and legally responsible for any benefits paid on and after the date the partnership ended and you may be subject to disciplinary action.

You may not enroll another domestic partner, or re-enroll the same domestic partner, until <u>one year</u> after the termination date of your previous partner's coverage. Your former partner's 60 day eligibility period for applying for COBRA continuation coverage starts on the date the relationship terminates, not the notification date.

HEALTH INSURANCE COORDINATION OF BENEFITS FORM

The EMPLOYEE MEDICAL HEALTH PLAN OF SUFFOLK COUNTY has a Coordination of Benefits Provision that applies when you or any dependent receive benefits under more than one health insurance program. Coordinating benefits helps to contain the cost of health care and can save you some out-of-pocket expenses when balances remain after one carrier has made its claim payment. New employees should return the completed form to their Payroll Office. All others, please return completed form to the Employee Benefits Unit, P.O. Box 6100, Bldg. # 158, North County Complex, Hauppauge, NY 11788-0099.

DEFINITIONS IN INTERNAL REVENUE CODE RULE 152

The following are definitions extracted from the Internal Revenue Code that may be helpful in determining if a domestic partner qualifies as a dependent for federal purposes. It is recommended that you seek the advice of your attorney and/or tax consultant prior to completing this affidavit.

Section 152. DEPENDENT DEFINED.

- a. GENERAL DEFINITION For the purposes of this subtitle, the term "dependent" means any of the following individuals over half of whose support, for the calendar year in which the taxable year of the taxpayer begins, was received from the taxpayer (or is treated under subsection (c) or (e) as received from the taxpayer):
- 9. An individual (other than an individual who at any time during the taxable year was the spouse, determined without regard to section 7703, of the taxpayer) who, for the taxable year of the taxpayer, has as his principal place of abode the home of the taxpayer and is a member of the taxpayer's household.
- b. RULES RELATING TO GENERAL DEFINITION For purposes of this section –
- 5. An individual is not a member of the taxpayer's household if at any time during the taxable year of the taxpayer the relationship between such individual and the taxpayer is in violation of local law.

COUNTY OF SUFFOLK

OFFICE OF THE COUNTY COMPTROLLER

In the event that your domestic partner does not qualify as your dependent under IRS Revenue Code 152, the fair market value of the health insurance benefit is treated as income to you for tax purposes. The fair market value of this fringe benefit will be calculated based on the difference between the cost of single and family rates for your coverage. Based on current rates in the EMHP, the amount of imputed income to appropriate members of that Plan would be \$1,179.00 per month of coverage, which is \$14,148.00 if coverage was maintained for the domestic partner for the entire year. In addition, if applicable, imputed income would also be recognized for any Medicare reimbursements made for a domestic partner who does not qualify as a dependent for tax purposes. The current average reimbursement is \$170.10 per month per eligible payer of Medicare Part B reimbursements.

For active employees, imputed income of \$544.15 will be added to the taxable wages on your paychecks during the period of coverage; and Federal, NYS and FICA Taxes will be withheld. The amount of the imputed income due to the taxable fringe benefit will be included as Wages on your W-2.

For retirees and employees on leave without pay, you will receive an invoice from the County for \$270.58 per quarter for the FICA Tax due on the imputed income from the taxable fringe benefit for each quarter that your domestic partner is covered. You will receive a W-2 for the amount of imputed income resulting from the taxable fringe benefit even if you have no other wages from Suffolk County for the year.

Should you have any questions regarding imputed income, please contact the Suffolk County Department of Audit & Control, Payroll Division, at (631) 853-5050.

It is recommended that you seek the advice of an attorney and/or your tax consultant to determine how enrolling your domestic partner will affect your taxes.
