

Rx Intercept Medication List

The Rx Intercept program provides members affordable access to expensive specialty medications, and will help you save money. Medications included in the Rx Intercept program are shown below. If you are taking one of these medications and would like to participate in the program, call US Specialty Care at 1-800-641-8475 to enroll. You should also enroll in all applicable manufacturers' copay coupon programs or patient assistance programs that you are eligible for.

Please Note: The eligible medications will change as the manufacturer programs expire and offer new coupons.
