**OFFICE OF THE COUNTY EXECUTIVE
ALL-EMPLOYEES MEMORANDUM**

DATE: October 4, 2018

**PREMIUM ASSISTANCE UNDER MEDICAID AND
THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)**

The Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA) requires that Suffolk County provide annual notification of potential premium assistance opportunities under Medicaid and the Children's Health Insurance Program (CHIP). Employees who contribute towards their health benefits may be eligible for premium assistance under these programs. This Notice follows the standard format template required of the Department of Health and Human Services (HHS) and Department of Labor. This document advises that if you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs.

If you live in one of the states listed on the attached notice, you may be eligible for assistance paying your employer health plan premiums. The attached list is current as of July 31, 2018. Contact your state for more information on eligibility in this program.

**Premium Assistance Under Medicaid and the
Children’s Health Insurance Program (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2018. Contact your State for more information on eligibility –
